Message from the Executive Director

One major objective of the Alaska Baptist Foundation (ABF) is to provide financial support to share the gospel of Jesus Christ through evangelistic, missionary, educational and benevolent activities.

Alaska Baptists are making commitments to fund the Lord's work in the present and future for their churches, association, institutions, and mission projects. We are dedicated to carrying out your wishes for these vital areas.

Since its inception in 1958, the goal of ABF has been to faithfully serve Alaska Baptists in the area of Christian estate planning, and to oversee the establishment of donor advised funds for missions and evangelical ministries.

The ABF serves individuals, churches, associations and agencies involved in Kingdom work consistent with biblical principles.

The ABF is a facilitator for those desiring involvement in promoting the Lord's work throughout Alaska and the world.
